<p style="text-align: center;">SECTION IV CASE HISTORY</p>
--

- (1) Date cases filed: June 9, 2025 (the “Petition Date”)³
- (2) Chapter under which cases commenced: Chapter 11
- (3) Date of retention: August 10, 2025, effective as of June 9, 2025. *See* Docket No. 0713.

If limit on number of hours or other limitations to retention, set forth: n/a

- (4) Summarize in brief the benefits to the estate and attach supplements as needed:⁴

During the first month of these chapter 11 cases, Uzzi & Lall, as financial advisor to the above-captioned debtors and debtors in possession (the “Debtors”), has provided substantial value to the Debtors’ estates by supporting the stabilization of Post-Petition operations and facilitating a value-maximizing sale process through, among other things, operational coordination, financial reporting, and strategic planning efforts.

- (a) The Applicant facilitated the commencement of the Chapter 11 Cases through the filing of 12 voluntary petitions (the initial 9 were filed on June 9 and 10, 2025, and the subsequent 3 were filed on June 22, 2025).
- (b) The Applicant drafted, refined, and maintained a centralized case workplan tracker and case calendar to monitor deadlines and deliverables across legal, financial, and operational activities, including updates based on new court filings and stakeholder input.
- (c) The Applicant created and updated a comprehensive court docket tracker and case timeline tool to summarize and monitor all court filings, hearings, deadlines, and reporting obligations, supporting internal alignment and preparation for key milestones.
- (d) The Applicant prepared for and participated in court hearings by coordinating with counsel, reviewing relevant filings and motions—including DIP financing and cash collateral matters—and ensuring internal workstreams were aligned with upcoming hearing dates and deliverables.
- (e) The Applicant provided ongoing review and refinement of the Debtor’s DIP budget, cash collateral budget, and related financial projections in coordination with Dentons,

³ Lead Debtor Case No. 25-16137 (MBK) for Debtor Powin Project LLC was filed on June 9, 2025, and the remaining Debtors were filed shortly thereafter on June 10, 2025 and June 22, 2025.

⁴ The following summary is intended to highlight the general categories of services the Applicant rendered on behalf of the Debtors and for the benefit of the estates; it is not intended to itemize each and every professional service which the applicant performed.

Huron, and Debtor management to align with the post-petition operating strategy and liquidity planning.

- (f) The Applicant supported preparation and review of the Schedules of Assets and Liabilities and Statements of Financial Affairs, including data gathering, interdepartmental coordination, and development of supporting materials for SOFA/SOAL completion.
- (g) The Applicant conducted a detailed review and reconciliation of customer inventory files received from third parties, aligning and tagging data to the Debtor's master inventory list for use in disposition strategies and lienholder identification for potential sales processes.
- (h) The Applicant participated in strategic discussions with the Debtor and co-advisors regarding the structuring of a potential NewCo entity, disposition of assets, and preparation for a potential auction process, including reviewing term sheets and addressing creditor issues.
- (i) The Applicant managed creditor and vendor engagement initiatives, including organizing and leading calls with critical vendors, customs brokers, insurers, and IT providers to discuss post-petition issues and support continuity of operations.
- (j) The Applicant drafted internal memoranda, reporting templates, and analysis regarding insider payments and executory contracts to support preparation of SOFA Schedule G and other reporting deliverables, including regulatory compliance.
- (k) The Applicant facilitated the Debtor's response to diligence and information requests from stakeholders, including preparation for IDI (Initial Debtor Interview), creditor matrix development, and vendor-related disclosures.
- (l) The Applicant participated in multiple coordination calls with co-counsel and financial advisors (Dentons and Huron) to align on case strategy, court hearings, transition planning, and compliance with post-petition requirements.
- (m) The Applicant developed, updated, and reviewed scenario models, reporting templates, and presentation materials to support the Debtor's communication with key stakeholders, including creditors, the U.S. Trustee, and potential investors.
- (n) The Applicant rendered all other services set forth on the invoices attached hereto as **Exhibit A**.⁵

⁵ The invoice attached hereto as **Exhibit A** contains detailed descriptions of the services rendered and expenses incurred by the Applicant during the Compensation Period.

(5) Anticipated distribution to creditors:

(a) Administration expenses: Unknown at this time.

(b) Secured creditors: Unknown at this time.

(c) Priority creditors: Unknown at this time.

(d) General unsecured creditors: Unknown at this time.

(6) Final disposition of case and percentage of dividend paid to creditors: Unknown at this time.

(7) This is the first monthly fee statement.
